This Section of the Country

The Boston Store has been here nearly half a century, consistently selling, in

that time, only merchandise of the highest character, and always selling it at

the lowest prices possible. On this day, when we hope to welcome our

friends from out-of-town, we have made special price concessions. You will

find hundreds of items upon which substantial savings may be made. We

want you to buy, but likewise, we want this opportunity to get acquainted.
